

REGULATIONS FOR THE USE OF CAR PARKING SPACES IN PONTECHIESA MULTI-STOREY CAR PARK

owned by the town council of Cortina d'Ampezzo and managed by Servizi Ampezzo Unipersonale Srl

GENERAL PROVISIONS

Pontechiesa Multi-storey Car Park makes available to its users a ground level parking area and an underground car park in exchange for parking fees relating to the car parking space used. The car park in question is an unsupervised car park without surveillance cameras or warden.

All car park users must comply with the regulations listed below. Only cars and motorbikes are allowed to park in the car park.

MEANS OF ACCESS

Users are required to:

1. take a ticket on entering the car park from the ticket machine at the entrance which constitutes the only valid document for exit from the car park. Lost tickets incur a 24 hour parking fee.
 2. follow the one-way system indicated on the signs and drive no faster than walking speed.
 3. park carefully within the white lines in order to avoid causing damage to other vehicles or the car park itself. All parking manoeuvres must be carried out with caution and skill.
 4. once parking fees have been paid users have 10 minutes to leave the car park;
- Parking fees can be paid at the automatic ticket machine on the ground floor level or directly at the cash desk if open.

INSIDE THE CAR PARK USERS ARE BANNED FROM

1. keeping car engines on unnecessarily;
2. smoking;
3. blocking transit and the functioning of the car park in any way whatsoever;
keeping inflammable or explosive or any other dangerous substances in their cars except in properly closed fixed fuel tanks;
4. transferring fuel of any sort within the car park;
5. using full beam headlights or car alarms without a strong reason;
6. stopping vehicles along the aisles, ramps or arrival platform;
7. cleaning cars or having them cleaned;
8. pouring water, oil or any other substance on the floor which could dirty it;
9. entering the underground car park with snow chains on;
10. carrying out car repairs of any sort;
remaining in the car park longer than necessary for parking and in particular spending the night in their cars;
11. using the car park for vehicles which are leaking fuel, oil or other dangerous liquids.

In the event of an accident

the user must inform the car park management immediately.

If the vehicle concerned is moved in any way before the car park management has been informed, SERVIZI AMPEZZO Unipersonale Srl is absolved of any responsibility whatsoever for damage caused. In the event of damage caused by bumps, crashes, collisions or accidents by third party users inside the car park, any claims for compensation must be paid by the injured party directly to the car park user who has caused the damage.

The management of the car park, Servizi Ampezzo Unipersonale srl, cannot be held responsible for damage to, tampering with or theft of cars or any accessories (including extractable car radios) or other portable items of whatever value left unsupervised in cars while inside the car park.

SUBSCRIPTIONS

Car parking spaces assigned in daily or monthly subscriptions are personal to an individual car and cannot be ceded to third parties.

Lost subscription cards must be communicated to the management immediately which will deactivate the lost card and issue a new one.

All subscribers to car parking spaces in the underground car park will be supplied with a remote control device to raise and lower the barriers at the entrance. The aforementioned remote control device is subject to payment of a deposit. The remote control device must be returned on expiry of the subscription and the deposit returned to the user.

HOURS

Ground and semi-basement car park levels: open 24 hours a day on payment of parking fees only in season.

Underground car park level: reserved for subscribers.
